Please answer the following. Answers MUST be typed. If additional space is required please attach a separate document with your application.

Please summarize your formal music and conducting education.

Please summarize your additional training in music, conducting and handbells.

Please provide a detailed summary of your experience with handbells as both a ringer and a director as well as any other handbell-related interactions.

Handbell Musicians
OF AMERICA

| Area 5

Please summarize your previous experience conducting in a massed-ring setting.

Please list three goals you hope to achieve as an Area 5 Associate Conductor.

Describe how you intend to utilize the new skills gained through this experience, including how you will share these new skills with others in and out of the handbell community.
